SUMMARY

With over 3 years of experience in UX/UI design, I'm driven to create engaging, user-centered web experiences. My expertise in user research, prototyping with Figma, and conducting usability testing has significantly improved product adoption rates. I am passionate about leveraging insights to design intuitive interfaces that meet business goals.

EXPERIENCE

Co-Founder & Typography Specialist

Swing Circle   📅 01/2022 - Present   📍 Dhaka
